

## A CUSTOMER'S PRAYER

**'Give us this day our daily bread,  
but for heaven's sake be an angel and  
make sure it arrives on the right pallet!'**

You've been there! Just when you thought you were on cloud nine, your most important customer calls up complaining that his latest delivery of soul food has somehow got mixed up with cans of cream of wheat destined for the little cherubs of the world, and he's not a happy chappie. But don't fret...

**Redemption is at hand!**

Thank heaven for the guardian angels of your future deliveries, Elite Services. Just call us and we'll wing our way over to you and sort and segregate your consignments for all eternity.....paradise!
