

# **Peanuts or Pistachios?** **Unless you know the difference it could end up driving your best customer nuts!**

You know the story. An irate customer is on the phone screaming that the pistachios have somehow got mixed up with the peanuts on your latest delivery. Now that kind of problem really is a hard nut to crack.

Regrettably, it's the kind of thing that can happen - except with us! The cure for such nutty behavior is simple, and you don't have to shell out big bucks to get your deliveries back in perfect running order. Just call Elite Services and we'll be happy to tell you all about a speedy, cost effective and perfectly organized Sort and Segregate service that costs peanuts!

**That's it in a nutshell!**
