

# How to make sure your fruit deliveries go hand-in-hand without slip-ups or tears!

Wouldn't it be a crying shame if somehow there was a slip-up on that big important delivery to your very best customer, with someone monkeying around, and mixing up the fruit with the veg.

*It's enough to make you jump out of your skin.*

So let us make an a-peel to your better judgement, so you can bear the fruits of our labours. Just call Elite Services and we'll be happy to tell you all about our speedy, cost effective and perfectly organized Sort and Segregate service that will satisfy your every need. Isn't that a sweet ending?
